## Offline activation

If you do not allow your music station to access the Internet, Samplitude may be activated without any problem. Proceed as follows:

• Click "Register program".

In the address bar of the browser that opens, you will now see a link to the MAGIX Service Center. Copy this link to a mobile storage device (e. g. USB stick) and then open it on an Internet-capable computer.

• Now complete registration as described above in the MAGIX Service Center.

After registration is completed, the activation code for Samplitude will arrive in your email inbox.

 Next, copy your personal activation code from the confirmation mail onto your mobile storage medium and transfer it to the Samplitude dialog field "Activation code" on your computer.

Note: In case you do not have the option to go online in the foreseeable future, you can also send us the trial ID at the end of the link in the opened browser window by telephone or fax.

Telephone: 0180 4899999

Fax: + 49 (0)5741 3107 68

We'll send you your personal activation code for Samplitude immediately after this. Transfer this into the Samplitude dialog field "activation code" on your music station.
